Submission

1. The specific parts of the proposed Regional Policy Statement that my submission relates to are as follows:

*No reference to process (timelines) when do
orals happen? what is the time frame for hearing
a receiving submissions? who is able to make
submissions? How will they be dealt with?
Will changes made after hearings be communicated to
the ratepayers & how?*

(Clearly indicate which parts of the document you support or oppose, or wish to have amendments made to. Please continue on separate sheet(s), if necessary)

where's the democratic process communication?

2. My submission is that:

The Regional Council should be looking at greater "regionalization" and be prepared for any government decisions about the shape of future decision making and possible boundaries. An attempt should be made to unify political boundaries (District/region agencies) D.I.B's etc) Greater Wellington needs to show leadership in this area.

(State the reasons for you submission. Please continue on separate sheet(s), if necessary)

I wish Greater Wellington to make the following decision:

That Greater Wellington will co-ordinate & make potable water supplies available to all districts within the region.

Water metering of individual ratepayers will NOT be a management tool to ration drinking water by price.

(Give precise details. Please continue on separate sheet(s), if necessary)

Please tick applicable box(es)

- I do not wish to be heard in support of my submission (This means you have elected not to speak at the hearing)
