

Report to the Rural Services and Wairarapa Committee  
by Ian Gunn, Manager, Operations

## **Waiohine Floodplain Advisory Committee**

### **1. Purpose**

To seek the Committee's representatives on the Waiohine Floodplain Advisory Committee.

### **2. Background**

At its June 1998 meeting the Committee approved the formation of a Waiohine Floodplain Advisory Committee to assist in consultation and the development of preferred options floodplain management in this area.

Such committees have been developed in the western part of the region.

Terms of Reference were suggested, as was the membership of the committee.

Membership was to be as follows:-

• Riverside properties	2	from the Scheme Advisory Committee
• Floodable areas	2	nominated by residents
- Ahikouka/Apple Barrel	2	nominated by Greytown Community Board
- Greytown	2	• Cr W D Regnault • K J Lyford
• South Wairarapa District Council	1	• Cr V Napier
• Iwi	1	
• Wellington Regional Council	2	• •

### **3. Membership**

The South Wairarapa District Council has now advised who it wishes to be involved on this committee.

In June 1998 the Committee did indicate that Dr Derek Milne and Cr Ian Buchanan would be its representatives. Dr Milne is no longer a member of the Rural Services and Wairarapa Committee and therefore the Committee needs to decide its representation on the Waiohine Floodplain Advisory Committee.

Other members, i.e. Iwi and the Ahikouka/Apple Barrel area, should be considered by the fuller committee at its first meeting.

### **4. Recommendation**

*That the Committee select two members as its representatives on the Waiohine Floodplain Advisory Committee.*
