Editorial Changes Made to the Regional Land Transport Strategy

1. Purpose

To provide Committee members with a list of the changes made to the Regional Land Transport Strategy between the version presented to the 15th September 1999 meeting of the Committee and the version that was printed and launched just prior to Christmas.

2. The Changes

... **Attached** is a list of the changes made between the two versions of the Regional Land Transport Strategy. They are set out under three headings.
