Report to Rural Services and Wairarapa Committee
from Councillor Mike Gibson

Rating for Flood Protection

1. At its last meeting the Rural Services and Wairarapa Committee invited me to prepare a report for the Policy and Finance Committee on the above subject.
2. My report dated 8 September 2000 in **Attachment 1**. The Policy and Finance Committee resolved to pass my motion that the 'report be received and the contents noted'.
3. I have been asked to attend your next Committee Meeting and answer any questions. In the meantime, I should like to congratulate your Committee on the work which you have done on Flood Protection in the Wairarapa.

MIKE GIBSON
Councillor
