Councillor Shaw has given notice of his intention to move the following notice of motion:

“Public Relations

That officers’ report, in the context of the development of our communications strategy, on the construction of a substantial informative sign on State Highway 1, (to replace the present minimalist statement), and any other major roads deemed suitable, to announce the presence of our region, and officers consult with the adjacent region and the TA’s to see if they wish to participate in a co-operative approach, and produce for Councillors creative ideas on what might be written on such signs.”
