Report PE 05.427

## Utility Services Committee

**Minute extract from meeting held on 20 September 2005**

### **Plantation Forestry Annual Report and Proposals**

*Resolved*

*That the Committee*

- (1) *Receive the report.*
- (2) *Note the contents of the report.*
- (3) *Approve the replanting of the areas specified within this report in the winter following harvest.*
- (4) *Note the changes to earlier Annual Reports because of the salvage of windthrown logs and subsequent replanting.*
