

Non-notified resource consents approved between 28 February and 4 April 2009

File Reference	Consent Holder	Site Name	Purpose Description	Activity Type
WAR010067	Genesis Power Ltd	Genesis Energy, Kourarau Power Scheme	Variation of a Water Permit to temporarily reduce the level of the upper dam reservoir to a level equivalent to 1.6m below the lower level of the 0.65m range of water level for the reservoir to enable the remedial works in WAR090218 to be implemented.	Take
WAR010068	Genesis Power Ltd	Genesis Energy	To vary condition 14 to enable the water level of the lower Kourarau dam reservoir to be temporarily lowered below its normal operating range by 1.6m below the lower level of the 650mm to allow the upgrade work to proceed.	Take
WAR080189	Taratahi Agriculture Training Centre	Taratahi Agriculture Training Centre	To discharge domestic wastewater effluent from an on-site wastewater treatment plant to land.	Sewage Discharge
WAR090164	DBH Farms Ltd	DBH Farms Ltd	To discharge dairy shed effluent to land.	Animal Waste Discharge
WAR090180	Flood Protection Wairarapa	GWRC, Flood Protection Dept, Waiohine River	To construct rock groynes at four sites on the Waiohine River.	Structure: Hazard Mitigation
WAR090218	Genesis Power Ltd	Genesis Energy, Kourarau Power Scheme, Gladstone	To discharge sediment to water from a bulk earthworks operation >0.3 hectare whilst undertaking various works in the bed of the Kourarau Stream to facilitate an upgrade of both the upper and lower dams at the Kourarau Power Scheme.	Industrial Waste Discharge
WAR090218	Genesis Power Ltd	Genesis Energy, Kourarau Power Scheme	To undertake various works in the bed of the Kourarau Stream to facilitate an upgrade of both the upper and lower dams at the Kourarau Power Scheme.	Earthwork
WAR090261	Land Management Department	GWRC, Land Management Dept. Kaiwhata River	Works in the bed of the Kaiwhata River to undertake river bed recontouring, diverting (realigning) the active channel within the existing river bed, redepositing river-bed gravel within eroded sections, and cabling of willow trees adjacent to the eroded sections of the riverbank.	Stream Work

File Reference	Consent Holder	Site Name	Purpose Description	Activity Type
WAR090286	Guinea Trust	Flat Point Station, Flat Point Road	To construct and maintain three water quality monitoring bores.	Bore
WGN090111	Hutt City Council	Old Wainuiomata Landfills	To discharge stormwater and contaminated stormwater from the Old Wainuiomata Landfills onto or into land, including circumstances where contaminants may enter ground water.	Landfill Discharge
WGN090259	The Masonic Villages Trust	57-63 Wai-Iti Crescent, Woburn	To construct a geotechnical bore (R27/7355) in the Lower Hutt Groundwater Zone.	Bore
WGN090259	The Masonic Villages Trust	6 Whites Line West, Lower Hutt	To construct a geotechnical bore (R27/7356) in the Lower Hutt Groundwater Zone.	Bore
WGN090260	Kilmarston Developments Limited	16-18 Patna Street and Huntleigh Park Way, Ngaio	To discharge sediment-laden runoff directly to unnamed tributaries of the Ngaio Stream, and to land in circumstances where the discharge may enter unnamed tributaries of Ngaio Stream, from an area of bulk earthworks in association with a residential development.	Stormwater Discharge
WGN090266	Chevron New Zealand	7 Stokes Valley Road	To construct and maintain eight bores for groundwater monitoring purposes.	Bore
WGN090279	New Zealand Communications Ltd	Shandon Golf Course, 471 Jackson Street, Petone	To construct a bore (R27/7357) in the Lower Hutt Groundwater Zone to allow the installation of foundation piles for a telecommunications pole.	Bore
WAR090287	Monitoring & Investigations	Te Hapua Road	To construct and maintain two monitoring bores (Bore 1 - R25/7086 and Bore 2 - R25/7087 for monitoring water levels in two small wetlands.	Bore
WGN090267	Kristy Green	50 Dixie Street, Te Horo	To construct and maintain a bore (R25/7085) for domestic irrigation.	Bore
WGN090276	Denise & Richard Graham	3 Consory Close, Paraparaumu 5032	To construct and maintain a bore (R25/7232) for domestic irrigation.	Bore
WGN090300	Wellington Regional Council	Queen Elizabeth Park	To construct and maintain a bore [R26/7238].	Bore
WAR090157	Flood Protection Wairarapa	GWRC, Flood Protection Dept	To place various structures including boulder and rock groynes in the river bed.	Structure: General
WAR090157	Flood Protection Wairarapa	GWRC Flood Protection Dept Upper Ruamahanga	To disturb the bed of the Upper Ruamahanga River by undertaking channel realignment and bed recontouring.	Stream Work

File Reference	Consent Holder	Site Name	Purpose Description	Activity Type
WAR090179	Flood Protection Wairarapa	GWRC, Flood Protection Dept, Waingawa River	To disturb the bed of the Waingawa River by undertaking bed recontouring and channel realignment.	Stream Work
WAR090181	Flood Protection Wairarapa	GWRC, Flood Protection Dept.	To disturb the bed of the Waipoua River by undertaking bed recontouring.	Stream Work
WAR090181	Flood Protection Wairarapa	GWRC, Flood Protection Dept	To maintain rock and boulder groyne structures in the Waipoua River.	Structure: Hazard Mitigation
WAR090181	Wellington Regional Council	GWRC, Flood Protection Dept	To maintain rock and boulder groyne structures in the Waipoua River.	Structure: Hazard Mitigation
WAR090183	Mark Williams	Mark Williams, 9 Rosewood Grove, Masterton	Install a timber retaining wall within the bed of the Kuripuni Stream to provide erosion protection for a proposed dwelling.	Stream Work
WAR090265	Chevron New Zealand	216 High Street, Masterton	216 High Street, Masterton. To construct and maintain eight bores for groundwater monitoring purposes.	Bore
WAR090269	Land Management Department	GWRC, Land Management Dept.	To construct and maintain a bore (T26/0830) for irrigation purposes.	Bore
WGN080280	J D Fogarty	Colonial Knob, Porirua	To discharge sediment laden runoff from bulk earthworks where it may enter an unnamed, intermittently flowing tributary of Mitchell Stream.	Stormwater Discharge
WGN080280	J D Fogarty	Colonial Knob, Porirua	To permanently dam and divert the full flow of an unnamed, intermittently flowing tributary of Mitchell Stream behind and through a 'land bridge' structure, and through a reinstated stream channel.	Dam
WGN080280	J D Fogarty	Colonial Knob, Porirua	To disturb and to deposit sediment on the bed of an unnamed, intermittently flowing tributary of Mitchell Stream to undertake stream reinstatement and erosion protection works.	Earthwork
WGN080280	J D Fogarty	Colonial Knob, Porirua	To use a 'land bridge' structure in an unnamed, intermittently flowing tributary of Mitchell Stream.	Bridge
WAR090180	Flood Protection Wairarapa	Waiohine River Between Railway and SH2 bridge	To disturb the bed of the Waiohine River by undertaking bed recontouring.	Stream Work

File Reference	Consent Holder	Site Name	Purpose Description	Activity Type
WAR090264	Caldwell Trust	Caldwell Trust, Kahutara Road	To discharge dairy shed effluent from a herd of up to 250 cows to land.	Animal Waste Discharge
WAR090268	Rotopai Trust	B Weatherstone, Lake Ferry Road	Construct a bridge over the Waihora Stream.	Bridge
WAR090280	Schubert Wines Ltd	Schubert Wines Ltd, McMaster Street	To discharge winery wastewater to land.	Sewage Discharge
WAR090283	South Wairarapa District Council	AM Herrick, State Highway 53	To construct two test bores and then fully construct a new bore (S27/0910) or alter an existing bore (S27/0877) for public water supply in the light of monitoring results from the test bores and then maintain the active bore.	Bore
WAR090284	A Herrick	A & M Herrick, State Highway 53	To construct and maintain a bore (S27/0911) to supply water to dairy shed.	Bore
WGN080071	Horokiwi Quarries Limited	Horokiwi Quarry	To undertake the following works within the Horokiwi Stream and its tributaries: " place temporary intake structures; and " reclaim sections of stream bed; including the associated disturbance and deposition of material into the beds of those streams.	Stream Work
WGN080071	Horokiwi Quarries Limited	Horokiwi Quarry	To discharge stormwater containing contaminants, namely sediment, directly to the Horokiwi Stream and its tributaries, and onto land where it may enter the Horokiwi Stream and its tributaries, in association with the establishment and operation of an overburden disposal area.	Stormwater Discharge
WGN080071	Horokiwi Quarries Limited	Horokiwi Quarry	To temporarily and permanently divert the flow of the Horokiwi Stream and its tributaries	River/Stream Diversion
WGN080071	Horokiwi Quarries Limited	39 Horokiwi Road	Land use consent to undertake soil and vegetation disturbance on erosion prone land in association with the establishment of an overburden disposal area.	Earthwork
WGN090274	David Allison	177 Raumati Road	To construct and maintain a bore (R26/7231) for irrigation purposes.	Bore

File Reference	Consent Holder	Site Name	Purpose Description	Activity Type
WGN090282	Department Of Conservation	Wellington Harbour Seabed	To take and use groundwater from an existing under sea bore (R27/6146) located in the Lower Hutt Groundwater Zone for the irrigation of nursery plants and domestic and stock water supply.	Take
