

12(b) Swing mooring application

This form must be completed along with Form 1. It helps us assess your application and identify the owner of any boat which may have broken free of its mooring or may have been interfered with.

Prior to lodging your swing mooring application you are required to consult with and obtain the written approval of the Harbourmaster for the following:

- The proposed mooring location is appropriate;
- The proposed mooring location meets the minimum spacing requirements; and
- The proposed mooring specifications are appropriate for the location.

Your application will not be processed without the prior approval of the Harbourmaster.
