

## BLM 4: Stream users questionnaire

### Questions:

How often do you visit this stream?

Why do you visit the stream?

Do you think the stream is healthy? If not, what is wrong with it?

What does the stream mean to you? (What are your feelings towards it?)

How would you like to see the stream in 20 years time?

Do you know what the stream used to be like?

Who do you think should be responsible for cleaning the stream up and looking after it?
