

Introduction

Reading resources

The reading resources listed below are readily available for teachers who wish to integrate reading into *Take Action for Water*. Texts include School Journals (SJ), Junior Journals (JJ), Connected Journals (CN), School Journal Story Library (SL), Journal of Young People's writing (YP), and *Take Action for Water*. The reading ages (RA) for most texts are in brackets.

Week 1: Water cycle and the catchment	Week 2: Invertebrates	Week 3: Fish and aquatic insects	Week 4: Fish and fishing	Week 5: Human impacts and water conservation	Week 6: Take action
